Minéral Color, fabricant français de paillettes depuis 1993, présente dans ce nouveau nuancier 38 mélanges :

00 - Terrazzo - 1mm - 2mm - 3mm et 3D.

6 tailles différentes adaptées à l'application flooring.

Très décoratifs, ces mélanges de paillettes reflètent les tendances actuelles, naturelles et sobres du marché.

Nous pouvons réaliser tous mélanges spécifiques à la demande.

Nos paillettes sont conditionnées en sacs plastique de 20kg à l'intérieur d'un carton.

Pour tous conditionnements ou emballages spécifiques, n'hésitez pas à nous contacter.

Avant toute mise en œuvre, vérifier la compatibilité des paillettes avec vos résines Epoxy ou P.U.

Minéral Color, french manufacturer of flakes since 1993 presents in this new color chart 38 mixtures :

00 - Terrazzo - 1mm - 2mm - 3mm and 3D.

6 different sizes of flakes adapted to the flooring application.

Very decorative, these mixtures of flakes reflect the current, natural and sober trends of the market.

We can make any specific mixtures on request.

Our flakes are packaged in 20kg plastic bags inside a cardboard box.

For any specific conditioning or packaging, do not hesitate to contact us.

Before any implementation, check the compatibility of the flakes with your Epoxy or P.U. resins.
